YOUNG LINE

OUR OFFER – YOUR ADVANTAGE

The trend is to responsible enjoyment

Demand continues to rise for organic and Fair Trade products. With our Young Line, you can offer teas with the seals your guests look for.

High-quality products made of select raw materials to fair trade standards have long had a home at Darboven. So it's natural for us to offer customers Fair Trade teas of top quality.

In addition, the ingredients for many of the Young Line teas come from controlled organic agriculture and bear the official Organic seal. The Young Line thus presents a wide selection with a natural appeal for responsible tea drinkers.

Our Tea Diamonds® in the innovative Pyramid bag offer a perfect flavour experience. With their contemporary yet stylishly elegant design, the decorative cartons also bring visual appeal. The small package quantities (4 x 20 bags in a carton) enable you to offer a versatile assortment, that with the right accessories and attractive presenters is a real attention-getter.

GOOD THINGS LAST.
